Dear Friend and Supporter of Pin Oak Middle School:

Pin Oak Middle School PTO is hosting our annual **COLOR RUN** on April 13, 2018. The Color Run is a school-wide event that takes place on campus during school hours. Our students can participate in many ways as it offers an opportunity to promote health and wellness for our tweens and teens. We hope that you will consider supporting our school and help sponsor this wonderful event!

Pin Oak Middle School has established itself as one of the finest middle schools in Texas and has been nationally recognized as a National Blue Ribbon School, a TEA Exemplary Middle School and a "No Place for Hate" by the Anti-Defamation League of Houston.

Pin Oak serves a highly diverse population of over 1200 children. The students come to Pin Oak through either the boundary option or magnet program. The boundary area includes families living in Bellaire, Braes Heights, Meyerland and West University. Students in the magnet program live in the greater Houston area.

Your Color Run sponsorship will allow us to continue the strong tradition of excellent education and development of the whole child. Funds raised this year will benefit our Teacher Grants program. Some of the many requests for teacher grants include classroom materials, continuing education and curriculum enrichment.

Your company's participation as an event sponsor will help us make this a successful event for our students and teachers. Those that **FUND** together, **RUN** together!

We appreciate your time and kind consideration of this request. Should you have any questions regarding the sponsorships and how you participate, please contact Christine Lott at or Cara Michael. Thank you for your support!

Sincerely,

Christine Lott
