

Join the 2010-2011 Pin Oak MS PTO!

By joining the Pin Oak PTO, you help support the school, its programs and services. PTO money is spent to provide classroom supplies, enhance technology, and to support activities and services that directly benefit our kids. Once you join the PTO, you become a voting member. Meetings are generally held once a month on Tuesday evenings at Pin Oak MS. PTO meetings are a great way to give your input and to find out what's happening in our school. PTO members also regularly receive email communications about events and happenings at the school.

Basic membership is as low as \$15, but your support at higher levels enables us to fund the programs and services that help make Pin Oak Middle School the unique and supportive environment it is for its students.
